

REMARKS/ARGUMENTS

Applicants thank the Examiner for the interview conducted on June 16, 2010 and the suggestions to amend Claim 1 by incorporating Claim 3 into Claim 1 and thereby to show the criticality of the washing temperature (see Interview Summary issued on June 28, 2010). Accordingly, Claim 1 has been amended by incorporating the limitations of Claim 3 and thus Claim 3 has been canceled. No new matter has been added.

Consequently, in view of the present amendment, no further issues are believed to be outstanding in the present application, and the present application is believed to be in condition for formal allowance. An early and favorable action is therefore respectfully requested.

Respectfully submitted,
